

定期檢查冷氣機 滴水違法 住戶有責

Letting Water Drip from Air-conditioners is an Offence
Check and Maintain Your Air-conditioners Regularly

根據公眾衛生及市政條例第132章，任由冷氣機滴水而對別人造成滋擾是違法的。請定期找專業技工檢查及維修家中的冷氣機。如發現居住的大廈有冷氣機滴水，可找管理處通知有關住戶盡早處理或致電1823。

Under the Public Health and Municipal Services Ordinance, Cap. 132, a person allows his air-conditioner to discharge water and cause nuisance to others is an offence. Please appoint a professional technician for regular checks and maintenance of your air-conditioners. If you find any drips from air-conditioners installed at your building, please contact your management office so that the resident concerned can be informed to fix the problem as early as possible or dial 1823.
